

WITNESSES TESTIFY FOR ROBISON

Weatherford Selected as Location for Trial of Hamilton

HOME TOWN STUFF

Ray Carney, who was born and reared in Wilbarger County, and is now editor and manager of a newspaper at Robstown, was looking through the new courthouse yesterday. He was impressed with its appearance, design and arrangement, as anybody would be who looks through it, and dropped into Judge McHugh's office for a visit. He wanted to say something about the new building and spoke of it very highly. "Yes," said Judge McHugh, "it takes people who are not used to much to fully appreciate this courthouse."

Probably he meant that the reason some Vernon people find little things to criticize about the building is that they are used to so many fine things in Vernon, they are hard to please. Or he might have meant something else. At any rate, it was a good one.

John Ray, prominent Ford County farmer, was in town yesterday and he says we are beginning to need rain again. He said he hadn't checked up on the hour of the next change of the moon and therefore can't make a definite prediction. It will be remembered that Mr. Ray started our recent rainy spell. He missed the main event by a few hours or a few days, but the rain came all right. He now refuses to make a forecast and wants H. T. to go ahead and try to accomplish something in the rain-making business.

Mrs. Robert Cole has complimented the writer of this column with a sample of fine honey, made by the Vernon bees from Vernon blossoms. This makes it mighty good. What could be finer? H. T. wonders why more people don't keep bees in this country. They say that honey made from alfalfa blossoms is the best ever, and we have fruit blossoms and quite a few wild flowers. The honey sent by Mrs. Cole is greatly appreciated at the Nabers Street boarding house. By the way, isn't there some progressive farmer in Wilbarger County who makes sorghum molasses? If there is such a farmer and he wants to know whether the sorghum is first class, H. T. knows who is the best judge of sorghum to be found anywhere in this section of Texas. Also he knows of a good judge of sorghum molasses pie. He does for a fact.

Last week while the editors were here one of them asked if we got any state aid on our new courthouse. He said he didn't see how a West Texas county could afford to build such a structure out of its own resources. As a matter of fact, West Texas counties are about the only kind that can afford such buildings.

Directors of the West Texas Chamber of Commerce will meet in Abilene tomorrow for the purpose of selecting a manager to succeed Homer D. Wade, who recently resigned to become manager of the Dallas Chamber of Commerce. Probably the Dallas organization was prompted in securing Mr. Wade in the hope of offsetting some of the effects of the map issued some time ago picturing West Texas as a poverty-stricken section of Texas. West Texans are on an average about as prosperous as people in any section of the United States and they are a trifle sensitive about being classed below anybody in the matter of either intelligence or buying power. Our bank statements show rather conclusively that somebody in West Texas has money. H. T. has often wondered who furnishes the money for the bank deposits. Neither he nor his friends register in the bank statements very much, except in the loans and discounts. This is a long way from the subject of this paragraph, namely that several Vernon men will attend the meeting in Abilene tomorrow.

AGREEMENT ON SITE REACHED AT CONFERENCE

Fall Term of Court Opens in September, Making It Unlikely That Case Will Go To Trial Before December — To Be Set October 7.

Amarillo, June 19.—(P)—Attorneys today agreed to the transfer of the R. H. Hamilton murder case to Weatherford, Texas. Since last week, when a defense venue change motion was granted, attorneys had been discussing the county to which they wished to transfer the trial of Hamilton, charged with slaying his son-in-law, Tom Walton, Jr., 21, here May 4. Weatherford was agreed upon at a conference today.

WEATHERFORD DISTRICT COURT OPENS SEPT. 30

Weatherford, Texas, June 19.—(P)—The fall term of district court, here opens September 30, making it unlikely, court attaches say, that the R. H. Hamilton murder trial, transferred from Amarillo, will begin before November.

DEFEAT RURAL AID CHANGES

MINIMUM OF 75-CENT TAX RATE REQUIRED FOR AID STANDS

Austin, June 19.—(P)—The Senate voted down all amendments to the \$6,000,000 rural aid bill today, but was still considering it. Efforts to change the minimum of 75 cents tax rate that school districts must maintain in order to participate in the fund were unsuccessful. Amendments would have made the minimum 25 cents, 50 cents and \$1, but they were turned down in order.

RESOLUTION CONSIDERED BY TEXAS DRUGGISTS

Fort Worth, June 19.—(P)—Resolution for consideration of Texas druggists in convention here today protested against the fee imposed for handling of alcohol under the Dean Law, the bond required of druggists for the same privilege and the proposed tax on cigars and on dispensing prescription whisky. The Legislative committee indicated it would make no fight on a proposed law imposing an increased tax on cigarettes.

THREE RIOTERS KILLED IN INDIA DISTURBANCE

Bombay, India, June 19.—(P)—Three rioters were killed and forty injured at Dhanuvar yesterday when police fired on a mob during serious Hindu-Muslim riots on the occasion of a Moslem festival. Troops were dispatched to where the situation was reported still serious.

WOMAN KILLED WHEN AUTO WRECKS AT JACKSONVILLE

Jacksonville, Texas, June 19.—(P)—Mrs. A. E. Bell, 39, was killed, her husband was injured and a small son escaped injury when their automobile overturned near Alto last night after a collision with another machine.

HUGE TALKIE THEATER ORGANIZATION FORMED

San Francisco, June 19.—(P)—The Examiner today said the Gianni interests had joined with the Fox Film Company and the Western Electric Company in the organization of a \$100,000,000 "talkie" theatre corporation.

To Build Freight House.

Dallas, June 19.—(P)—The Texas & Pacific Railway Company today announced the awarding of a contract to Robert E. McKee, El Paso, for the construction of a freight house at Big Spring, Texas. The work will cost approximately \$85,000, T. P. engineers said.

DRY CHIEF REFUSES TO HEAR MAN SAID TO HAVE BEEN TOLD TO SHUT UP ABOUT KILLINGS

Washington, June 19.—(P)—Louis Jacques, customs border patrolman at Detroit, quoted in the House by Representative Clancy of Michigan, as having said he was told to "shut up" in connection with the recent slaying there by enforcement officers, today was ushered out of the office of Assistant Secretary Lowman of the Treasury after Lowman had declared he would not consult with a "man of that type."

Jacques, who recently resigned, was brought to Lowman's office by a Detroit newspaper man. The secretary said he knew the details of the case, and there was no need of their being explained.

Turning to the newspaper man, he asked: "Is there anything more I can do for you?"

"No, unless you wish to consult with Mr. Jacques about the affair," replied the correspondent.

"I wouldn't consult with a man like that," Lowman replied. "He's resigned from the service, and he should have told his story to his superior officers, which I understand he did."

Lowman shook hands with the newspaper man and ushered him and Jacques to the door. Jacques said nothing.

CAPTAIN QUILTS WRECKED SHIP

SKIPPER HAD REMAINED ON VESSEL SINCE IT WENT AGROUND SUNDAY

Cape Lookout, Ore., June 19.—(P)—Captain Louis Johnson, skipper of the wrecked freighter Laurel, was taken off the vessel by a coast guard power boat at 8:30 a. m. today.

Captain Johnson has been aboard the wrecked ship since Sunday morning when it was driven ashore by resistless breakers and broken in two. One member of the crew lost his life and 30 others were taken off in groups, but Captain Johnson refused to leave.

The skipper stuck to his wreck even after agents of the States line, owners of the Laurel, had issued orders for him to abandon ship. Several efforts were made by coast guardsmen and others along the shore to coax Johnson off but he remained, presumably to prevent any one else laying claim to salvage.

Witness Testifies Power Company Financed Press

Washington, June 19.—(P)—Abner Aldridge of Birmingham, Ala., president of two coal companies, testified today before the Federal trade commission that he borrowed \$50,000 from Logan Martin, general counsel of the Alabama power company, which, he learned, he loaned to Joseph F. McGowan, Mobile capitalist, to be used in the establishment of the Mobile press.

BAPTIST FUNDAMENTALIST BOMBHELL IS EXPLODED

Denver, Colo., June 19.—(P)—Charging that the present activity and development of the Federal Council of Churches of Christ in America was jeopardizing the fellowship of co-operative unity of the Northern Baptist convention, constituency, Judge F. W. Freeman of Denver today exploded the fundamentalist bombshell which has hung over the convention since its start here.

Judge Freeman, a leader of local fundamentalists, asserted that "Baptists cannot be other than disturbed and irritated by the assumption that formal Christian union is a consummation to be sought, and the corollary to this, that protestantism would strengthen and enlarge its contribution to the kingdom in a formal union, more effectively than through denominational channels."

COURSE OF NEGRO SOLON SCORED BY REPUBLICAN

Washington, June 19.—(P)—In a letter declining an invitation of Representative De Priest, negro Republican, Illinois, to a reception here June 21, Representative Shaffer, Republican, Virginia, said today De Priest was embarking on a course which threatened amicable relations between the races in the South.

"Any movement or attempt by you in the direction of social equality is not a true interpretation of the attitude of both peoples," Shaffer said. "It will not be tolerated by the white people of the country, nor is it desired by the negro race. The white people have their position and are respected in it. The colored race has its place and is respected in it."

DRY OBSERVANCE MOVE LAUNCHED IN SOCIETY

Philadelphia, June 19.—(P)—Mrs. George H. Strawbridge has started a movement among Philadelphia society leaders for a strict observance of the prohibition laws. She hopes the movement will become national in scope.

Rum War Slayer

Jonah Cox, above, customs border patrol inspector, was absolved of blame in the killing at Detroit, Mich., of Archibald Eugster, when one of Eugster's companions admitted that he, Eugster and two others had been running liquor across the border. Eugster, before he died, said he had been fishing when fired upon by the officer.

MANY DIE IN AFRICA FLOODS

PRACTICALLY ALL CATTLE IN LARGE DISTRICT ARE WIPED OUT

Silechar, Assam, Cameroons, West Equatorial Africa, June 19.—(P)—Hundreds of people are reported to have perished in this district as a result of unprecedented floods after heavy monsoon rains. Ninety per cent of the cattle in the district have been destroyed and half the houses washed away. This town is under water except for the cantonment where 15,000 people have taken refuge.

COTTON PROGRESS GOOD DURING THE PAST WEEK

Washington, June 19.—(P)—The weekly weather and crop report for the week ending yesterday, issued today by the Department of Agriculture, said temperatures were mostly moderate in the cotton belt, with the weekly averages near normal, and rainfall generally light to only moderate. In Louisiana conditions were generally favorable, while in Oklahoma adequate warmth and sunshine were very helpful. The general condition of cotton is spotted in Texas, ranging from very good in the extreme South to poor in some wetter sections but progress during the week was very good.

TROOPS ON GUARD AT MANUFACTURING PLANT

Greenwood, S. C., June 19.—(P)—National Guard troops were on duty at Ware Shoals, near here, as the Ware Shoals Manufacturing Company's plant resumed operation with picket lines formed near its gates.

The Greenville militia unit was ordered to the scene at 1:30 a. m. today after hundreds of strikers, at a meeting yesterday had voted to begin picketing. The picketing was decided upon after R. E. Campbell, chairman of the strikers grievance committee, informed the meeting the mill management had refused to guarantee the employees that they would be protected against discrimination when the plant re-opened.

GEORGIA CONFEDERATE COMMANDER DIES TUESDAY

Atlanta, Ga., June 19.—(P)—The youngest veteran of the Confederate army, General David B. Freeman, commander of the Georgia division of the United Confederate Veterans, is dead. His passing was the result of a heart attack yesterday. Donning the gray at the age of 11, the general was said to have been the youngest private in the war between the states.

VERNON MAN FOUND GUILTY OF MISTREATING HIS WIFE

Henry Waltany of Vernon was found guilty on a charge of mistreating his wife, Linnie Waltany, in Justice Court Tuesday afternoon and was ordered to post a peace bond of \$500 for twelve months, by H. C. Justice of the Peace. Waltany was returned to the County Jail in default of bond.

WOMAN GIVEN NEW TRIAL IN MATE'S DEATH

Testimony Relied Upon by Trial Court Held Insufficient by Appellate Tribunal in Reversing Forty-Five-Year Conviction.

Austin, June 19.—(P)—Rosa Waybourn, Smithville woman convicted of the murder of her husband, W. W. Waybourn, and given 45 years in the penitentiary, was awarded a new trial by the Court of Criminal Appeals today.

The court held the state relied solely upon the testimony of Hugo Middleton, Smithville blacksmith and accomplice, to prove that Joe Morales had killed Waybourn at the instance of Mrs. Waybourn who agreed to pay him \$300 to do so. Testimony of an accomplice cannot be used to corroborate, the court pointed out. Middleton stated he had hired Morales for Mrs. Waybourn.

HEAT WAVE IN EAST UNABATED

NUMEROUS PROSTRATIONS AND DEATHS ARE REPORTED

(By The Associated Press) A withering heat wave which has held the eastern states in its grip for the past six days continued unabated today with temperatures running from one to seven degrees higher than the same hours yesterday. Numerous deaths and prostrations have been reported.

In New York and the metropolitan area, which experienced the hottest weather of the summer yesterday at 93 degrees, the mercury indicated a still higher altitude would be made today. At 7 a. m., the thermometer registered 80 in New York City, seven degrees higher than at the same hour Tuesday. The mercury climbed steadily until at 11 a. m., it touched 86, three degrees warmer than yesterday.

New Jersey, which reported six deaths from the heat yesterday, and experienced record temperatures "for days today. In Newark authorities issued a warning to citizens to use water sparingly as danger of a shortage exists. Some New England cities reported higher temperatures today. The mercury registered at 84 degrees in Philadelphia at 8 a. m., the highest in the nation, at the same hour it was 30 at Flagstaff, Ariz., the lowest.

MAN SHOT IN THEATER ROBBERY IS VERY LOW

Fort Worth, June 19.—(P)—The condition of Ralph Stewart, 29, shot by Fort Worth police in a running chase after the robbery of the Majestic Theater box office here Monday night, today was reported low. Yesterday he underwent an operation, and suffered hemorrhages. Stewart faces charges of robbing the palace theater negro entrance box office of \$12 here several nights ago, the Majestic of more than \$1,000 on May 1, and the Majestic again Monday night. Box office attendants at both theaters have identified him.

WELL-KNOWN FORMER LEGISLATOR IS DEAD

San Angelo, June 19.—(P)—Joe H. Boggs, 63, father of the constitutional amendment which permits counties to tax school lands for local purposes, is dead. A former member of the House of Representatives, Mr. Boggs died at his home here yesterday after a protracted illness. He was the founder and first president of the Texas Legislators' fraternity.

FIRST WHEAT GROWN IN 1929 REACHES DALLAS

Dallas, June 19.—(P)—Receipt of the season's first wheat was announced at Galveston and Dallas yesterday. The Dallas wheat, Texas grown, arrived in several shipments in the past few days, and the sale prices were announced at 90 to 95 cents a bushel. Loveland and Hollister, Okla. It was number one hard winter, and ranged from 61.7 to 62 pounds to a bushel.

COURT RULES FERGUSON'S LAND LAW ILLEGAL

Austin, Texas, June 19.—(P)—The so-called Ferguson "land plank," advocated by former Governor James E. Ferguson in his first campaign for office and enacted into law by the Legislature in 1915, was held "void and of no effect in its entirety" by the Supreme Court today.

The court decided that the amendment, attached to the Landlord's lien article, was violative of the State and Federal constitutions. The amendment fixed a standard rental for farm tenants, providing that where the tenant furnished everything but the land the landlord could not charge rent in excess of one-third of the grain and one-fourth of the cotton produced, and where the landlord furnished everything except the labor he should not charge the tenant more than one-half of the crop as rental.

Decision of the court restores the law back to its original status, as it had stood since 1874 until the 1915 amendment merely providing that the landlord should have a preference lien upon the property of a tenant to secure payment of rental due. The opinion was rendered in answering certified questions from the third court of civil appeals in the case of Sham Culbertson vs. B. G. Ashford, from McLennan County. Culbertson rented lands from Ashford and claimed that Ashford was endeavoring to collect more rental than permitted under the 1915 amendment to the 1874 law.

RUM RUNNERS BATTLE GUARDS

HOLE SHOT IN U. S. BOAT IN GUN FIGHT ON DETROIT RIVER

Windsor, Ont., June 19.—(P)—After a swift moving revolver battle in Detroit River today rum runners of the East Windsor sector retreated into Canadian waters after shooting a hole in the prow of a United States customs patrol cutter. There were no known casualties. The rum runners deliberately opened fire without notice on the American boat, Walter S. Petty, acting collector of customs at Detroit, said. His men returned the volley and chased the intruders back to the Canadian shore. The battle started, Petty said, when the rum craft was about 100 feet off the foot of Joseph Campau Avenue, Detroit. The border patrol was gliding down stream and was about 50 feet from the runner when its crew of several men blazed away suddenly with revolvers. The bullets drummed against the Government boat and blasted a hole above its water line.

TEXAS EXPORTS REVEAL INCREASE IN PAST YEAR

Washington, June 19.—(P)—Merchandise exports from Texas in 1928 were valued at \$517,902,282 compared with \$647,925,141 in 1927, an increase of \$129,975,941, a Department of Commerce report issued today disclosed. The Lone Star increase was the greatest of 32 states and territories whose exports were larger in 1928 than in the previous year. New York was second with an increase of \$91,812,028. Raw cotton ranked first in Texas exports.

PATRONAGE PROBES TO COME TO TEXAS AGAIN

Washington, June 19.—(P)—Senator Smith Brookhart and his Senate patronage investigating committee will visit Texas again next week, according to an announcement by the Senator here yesterday. He said they would reopen investigation on the disposition of Federal appointments in southern states, going first to San Antonio Monday night. The committee also will take testimony in Dallas.

DEFENDANT ACQUITTED IN BROWNWOOD SLAYING

Brownwood, Texas, June 19.—(P)—Leonard Witt today was acquitted of murder in the fatal shooting of Wayne Beckham near Brownwood last December.

COMMISSIONER ASKED TO KEEP REFUND, CLAIM

Petitions Circulated in 1928 Urging Land Owners to Refuse to Keep Money and Give It to Robison for His Use Shown.

Austin, June 19.—(P)—Taking the stand in behalf of J. T. Robison, Commissioner of the General Land Office who faces outer proceedings in the House, J. T. Hunter, Abilene, today defended the veteran state official's position in using for his own benefit a part of the one-cent-revaluation fund.

Hunter's testimony, which followed that of three other defense witnesses, marked third steps of respondents to refute allegations of incompetency and mishandling of state funds raised by witnesses for the House.

The witness, for ten years county judge of Culberson County, declared that West Texas land owners had circulated petitions in 1928 in which they refused to accept any refund of the revaluation money, and asked Commissioner Robison to keep it for his own use.

"The Legislature had refused to hear the cost of reassessing land values under the act of 1925," Hunter told the House sitting as a committee, and "we took the position that no part of the money should be paid the state."

Hunter exhibited a copy of one of several petitions which he said were circulated by himself and others who had contributed to the one-cent-revaluation fund. The petition was signed in April, 1928, Hunter said in response to questioning by E. F. Smith of Robison's counsel.

L. S. Kinder, Plainview, first witness for the respondent, brought an objection from House attorneys which may materially shorten the proceedings when he was asked about the veteran officials' reputation for honesty and integrity in West Texas. Former Senator Julius Real, Kerrville, and his brother, Robert, were other witnesses for the Commissioner.

NEGRO SCHOOL WILL BE BUILT

SIX-ROOM BRICK PLANT TO BE ERECTED AT COST OF \$10,000

Construction work on a six-room brick negro school building will begin this week, it was decided at a meeting of the City Commissioners yesterday.

Commissioner B. Daniel was appointed by the Board to take charge of the construction. The building will be erected on the corner of Dean and Antelope streets, the site at the present building, and will cost approximately \$10,000. E. H. Stucky, local architect, will draft plans for the building.

Ground breaking and construction will begin tomorrow, it was stated. The ground will be cleared this afternoon.

F. E. Marchison was appointed by the City Commission yesterday as solicitor for the City Light Plant. He will begin his duties this week. The City Commissioners will meet tomorrow afternoon to hear bids for tables, desks, and chairs for the new high school building. Friday they will entertain bids for cafeteria and laboratory equipment for the building.

Few changes were made in the assessment of city property taxes yesterday by the Commission, which met as a Board of Equalization, and few protests were forthcoming.

VERNON BANKERS ATTEND PANHANDLE CONVENTION

Three Vernon bankers attended the twenty-fifth annual convention of the Panhandle Bankers' Association this week at Childress. They were A. E. Harroun, cashier of the First State Bank, Emory Rhoads, vice president of the Farmers State Bank, and L. E. Piper, vice president of the Waggoner National Bank. The convention closed yesterday at noon after a final session yesterday morning at which time officers for the coming year were elected. The convention will be held at Amarillo next year if the unanimous approval of the body is observed.

WELLS GOES TO CHAIR TONIGHT

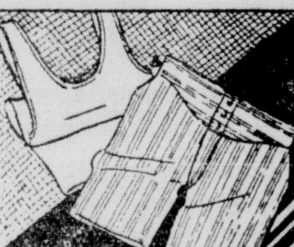

CONDEMNED MAN'S HOPE IS FOR RESPIRE FROM GOVERNOR

Austin, June 19.—(P)—O. C. Wells, convicted in Coleman County for the murder of J. A. Mitchell, filling station operator, will be electrocuted at Huntsville prison tomorrow unless Governor Moody grants a reprieve or commutes the sentence.

The Governor had decided last week, when Wells' electrocution day came around, that he would not interfere further with the judgment of the court, but when Wells sent him a message asking a few days to "make his peace with God" he was granted a respite of 6 days.

Air Aces Dedicate New Airport

It isn't difficult to identify either one of the subjects in this picture, for both have been in the news many times. The young lady with the flowers is Miss Amelia Earhart, first woman to span the Atlantic. With her is Major Reed Landis, World War ace and son of Judge Kenesaw M. Landis, baseball commissioner. They were snapped while attending dedication of a new airport at Anderson, Ind.

Schedule Beaten in Dawn-to-Dusk Flight by Texan

Seattle, Wash., June 19.—(P)—After flying 2,200 miles from San Antonio, to Seattle in 18 hours and 58 minutes, including 50 minutes for five refueling stops yesterday, Lieut. John S. Griffiths rested here today at his father's home.

The flyer intended to leave on his return trip tomorrow, taking two days for the journey instead of the hours between dawn and dusk as he did on his homing flight.

Lieutenant Griffiths left San Antonio at 2:45 a. m., central time and landed on Boeing Field here at 7:43 p. m., pacific time, 17 minutes ahead of schedule. He averaged 121 miles an hour during the flight. He stopped at El Paso, Tucson, Riverside, Cal., San Francisco and Medford, Ore.

COLOMBIAN TOWN WIPED OUT BY SEVERE FLOODS

Bogota, Colombia, June 19.—(P)—Forty persons are believed to have been drowned and more than 100 injured in practically total destruction of the town of Sevilla by floods from the Quilgace River, after a landslide from a hill into the river caused it to change its course. Sevilla, in the department of Cauca, has about 6,000 inhabitants.

Candidates Named by Anti-Smiths at Virginia Meet

Roanoke, Va., June 18.—(P)—With nominees in the field for Governor and Attorney General, and provisions made to cooperate with other states where similar groups might desire to make the 1928 break with the Democratic party permanent, Virginia anti-Smith Democrats today looked to the Republican convention in Richmond, June 26, for support of their efforts to wrest control of the state government from the Democrats.

Dr. William Moseley Brown, Washington & Lee professor nominated for Governor by the anti-Smith Democrats in state convention here yesterday, is known to have the support of several of the most active leaders in the Republican state organization.

PRESIDENT ASSURED OF PRESBYTERIANS' SUPPORT

Washington, June 19.—(P)—President Hoover was assured today of the support of the Presbyterian Church for his law observance and enforcement program.

This assurance was expressed by Dr. Cleland B. McAfee of Chicago, moderator of the Presbyterian General Assembly and spokesman for its new national loyalty commission, which had an engagement with the President.

Arms Discussions Coolly Received by Foreign Press

Paris, June 19.—(P)—The French press received the speeches of Ambassador Dawes and Premier MacDonald last night with divided opinion. All displayed the stories with great prominence, emphasizing particularly that while the British Premier suggested as a point of departure an understanding between Great Britain and American Ambassador Dawes insisted on the necessity of an accord sanctioned by the entire world.

"Pertinax", in the Echo de Paris, took a hearty cynical laugh at the whole business. Petit Parisien said the speeches marked new orientation in British policy and a certain evolution in American policy.

Berlin Silent.

Berlin, June 19.—(P)—Berlin morning papers displayed the Dawes and MacDonald speeches in Great Britain last night most prominently. There was no editorial comment, although the "headlines" gave some indication of the reception.

Deutsche Allgemeine Zeitung captioned its story, "New Era in Anglo-American Relations."

Deutsche Boersen-Zeitung used the somewhat ironical head, "MacDonald Dawes Agree—In Principle."

Japan Sympathetic.

Tokyo, June 19.—(P)—Japanese officialdom was keenly interested, mostly sympathetically, with the speeches made by Premier MacDonald and Ambassador Dawes last night.

The navy spokesman was cautious in discussing details and expressed opinion that Ambassador Dawes' "yardstick" might be more difficult to find than civilians believe, but reiterated the navy's willingness to cooperate in limitation.

Solution Reached in Church-State Religious Dispute

Mexico City, June 19.—(P)—The Mexican Government and emissaries of the Vatican have agreed upon a basis of settlement of the Mexican religious controversy. Approval of the Pope today was said to be needed to make the agreement effective and permit an episcopal order returning the priests to Mexican churches.

The settlement, as arrived at by President Portes Gil and Archbishop Leopoldo Ruiz y Flores of Michoacan and Bishop Pascual Diaz of Tabasco, with Ambassador Morrow as intermediary, does not involve constitutional changes, but merely a broader interpretation of the religious laws and their constitutional background.

The agreement is similar, if not, indeed, identical, to that reached last year in negotiations between President Calles and Archbishop Ruiz, which had their beginning in a secret meeting in the old fortress at San Juan de Ulua, island in the harbor of Vera Cruz. Vatican approval at that time was delayed, until in July the assassination of General Alvaro Obregon, President-elect, with ensuing charges of Roman Catholic participation, complicated the situation.

The settlement was reached Monday in the course of conferences between Ambassador Morrow and President Portes Gil, and Ambassador Morrow and the two Mexican bishops. Monday night a cablegram containing its terms was sent to Pope Pius at Vatican City.

An authoritative source stated today that unless the Vatican ratified the present settlement, and acts quickly on it, there is not much possibility that anything further will be accomplished toward settlement for some time to come.

At Rum War Front in Detroit

Scenes attendant to the big liquor war at Detroit where the government has concentrated one of the strongest prohibition forces in history in an effort to dam the flood of Canadian liquor being smuggled across the border are shown here. At the top, customs agents in a playful moment are squirting confiscated champagne at one another while a large quantity of destroyed liquor is seen in the background. Center, Congressman Robert J. Clancy of the Detroit district is shown conferring with Walter S. Petty (right) acting collector of customs at Detroit. Below, a truck load of assorted liquors is being broken up by agents.

PRESS FAVORABLE TO DAWES, McDONALD VIEWS

London, June 19.—(P)—Ambassador Dawes and Premier MacDonald will have no cause to be disappointed in the reception of their addresses last night at London and Lonsmouth, asking reduction in armaments as an initial step toward world peace. The attitude of the London press was wholly favorable.

"It is evident from the ambassador's utterances," said the Times editorially, "how great an enter-

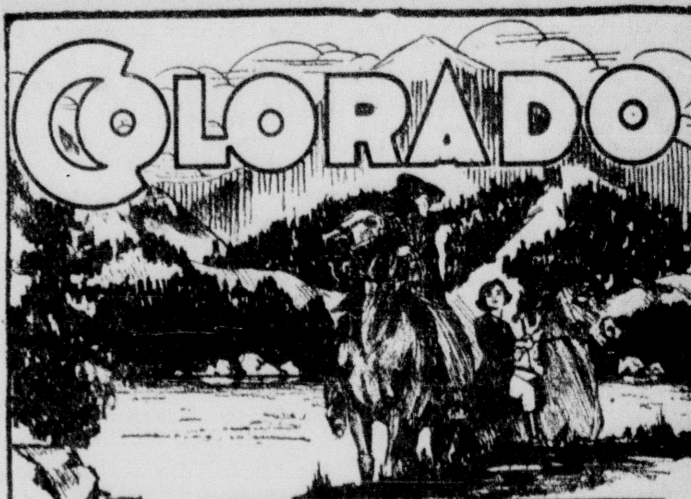

prise has been set before the nations and to what level of sincerity, sobriety, and far sightedness they must rise if they would bring it through."

The conservative post, always an advocate of a strong British navy, said: "In general Dawes admirable and closely reasoned speech there was not a word on which a pacifist or militarist could pick a quarrel." The laborite Herald said: "Ambassador Dawes' declaration will be treated here as a business proposition and there should be no doubt the two governments will be able to do business."

It's pretty hard to catalogue a car like the Marquette—and give anything like a true idea of what you get in this car in the \$1000 class. This new six is such a revolutionary value that you've actually got to see and drive it to realize what a great car it is!

Just as an indication of the value, rare value—in this splendid new six—here are a few of more than 66 fine-car features that it embodies—features combined for the first time on a car in the \$1000 field.

Wheelbase 114 inches.
Closed Bodies by Fisher.
Non-glare Fisher VV type ventilating windshield.
New type mohair upholstery.
Spacious rear seat.
Adjustable front seat.
Remarkable power plant—67.5 brake horsepower.
Rubber engine mountings.
Thermostatically-controlled water cooling.
Full-crown one-piece fenders
Chrome-plated cowl lights and cowl moulding.
Built-in bumper brackets integral with frame.

Running board fully bound, with no exposed screws.
Completely sealed engine.
Forced lubrication.
Lovejoy hydraulic shock absorbers, both front and rear.
Four-wheel internal-expanding brakes.
Adjustable steering wheel.
Hydrostatic gasoline gauge on dash.
Guide tilt-ray lamps.
A host of other extraordinary features that combine to make the Marquette America's most complete car in the \$1000 field.

Vernon Club Is Entertained by Elliott Women

The Elliott Home Demonstration Club entertained members of the Home Economics Club of Vernon with a party Tuesday afternoon at the home of Mrs. W. T. Hutchins in Elliott. About 30 women of the two clubs were present. As the guests arrived they were taken on an entertainment "cruise", first entering on "Deck A" where they were served iced lemonade. The next cruise was to the purser's office, where all valuables were checked and the final landing was on the lounge where games and contests, songs, and debates were indulged in.

At the close of the afternoon, the hostesses served refreshments of mint juleps, bavarian cream, and cakes.

The Vernon guests present were: Mrs. S. E. Smith, Mrs. Innis McCrary, Mrs. W. H. Huggins, Mrs. L. G. Hawkins, Mrs. P. A. Denny, Mrs. Bob Hoffman, Mrs. Delphus Bourland, Mrs. Claude Hardison, Mrs. J. L. Eggleston, Mrs. Anderson C. Smith, Mrs. Shirley McLarty, Miss Robbie Castlebury, Mrs. Margaret Luttrell, and Miss Emma Gunter.

The Elliott club members were: Mrs. W. T. Hutchins, Mrs. Ira Luttrell, Mrs. Cecil Luttrell, Mrs. Doc Raines, Mrs. C. Pierce, Mrs. H. Goss, Mrs. G. Ashley, Mrs. Charles Burchfield, Mrs. Clyde Smith, Mrs. O. Noyes, Mrs. Gus Schuman, Mrs. Roy Lemon, Mrs. Rogers, and Mrs. Jim Stringer.

ZONE MEETING OF W. M. U. ASSOCIATION TO BE HELD

The Vernon zone of the Women's Missionary Union of the Wilbarger-Foard Baptist Association will meet Thursday afternoon at 3:30 o'clock at the First Baptist Church, Vernon. It was announced today. This zone is composed of four churches, the First Baptist Church of Lockett, the Highland Baptist Church, the Rayland Church and the Vernon Church. The division of the W. M. U. Wilbarger-Foard Association into zones was perfected recently and this is the first meeting of this zone since the division.

Business Women Sever Relations With State Body

The Business and Professional club women made drastic changes in by-laws at a meeting held Tuesday night at the American Legion home. Dues were raised to \$5 per year, payable semi-annually, and connection was severed with state and national organizations. Money for dues will be retained in the home treasury and used to erect a club house. It was pointed out at the meeting that \$9.25 of the \$3.75 dues was being sent out of Vernon to the state and national bodies. An associate membership list will be kept. Associate membership dues will be \$2.50 per year and associate members will have no vote in the business affairs of the club.

Plans for a new club house will be submitted by Miss Esther Swartwood at the club breakfast June 25 at the Legion home. Officers will be installed at the club breakfast, which is an annual event.

Five women were elected to membership in the club. They are Miss Bess Vernon, Mrs. Jack Gross, Miss Texas Glover, Mrs. J. C. Kendall, Mrs. C. M. Blair.

Members of the American Legion Auxiliary served the supper Tuesday night which consisted of meat sandwiches, potato chips, cabbage salad, iced watermelon, iced tea, and coffee.

Members present were Mrs. Frazier Bell, Mrs. Clarence Teel, Mrs. Ralph King, Miss Esther Swartwood, Miss Emma Gunter, Miss Etta Mae Rogers, Mrs. Charley Stapp, Miss Inez Igo, Miss Essie McLarty, Mrs. Bertha A. Ross, Miss Alice Gibson, Mrs. Dewey Wilson, Miss Mary-Tom Lamar, Miss Maurine Igo of Elma was a guest.

ADDRESSES OF PIONEER RESIDENTS SOUGHT HERE

Addresses of pioneer citizens of Wilbarger County are being asked for by Mrs. Bertha A. Ross, pioneer program chairman of the Fourth of July celebration at the court house.

Invitations are to be issued soon to people who were here in the early days of the county as well as local citizens. Judge J. P. Orr of Altus, Okla., former county judge of Wilbarger County, will be one of the speakers. Other prominent former citizens will have a place on the program.

Anyone knowing the addresses of early settlers are asked to telephone Mrs. Ross, so that the committee may get in touch with those who had a share in the county's progress in the early days.

Club Meets in Call Session for Business Tuesday

Members of the Home Science Club met in a called business session Tuesday afternoon at the Yamparika Club House in Allingham Park with Mrs. J. D. Graham as hostess. Mrs. W. D. Curtis, Mrs. M. A. LONE STAR GAS TEAM WALLOPS JORDAN'S ALL-STARS

GAME FRAUGHT WITH ERRORS BY BOTH CLUBS

Semi-Professional Team Held to Four Safeties by Lone Star Hurler—Mistakes Contribute Materially to Scoring of Winners.

The Lone Star Gas Company baseball team of Vernon defeated P. G. Jordan's Vernon All-Stars yesterday 8 to 3 in a five-inning game fraught with strike outs and errors. Twelve Jordanians went down at the plate, only four of them being allowed hits. King, Lone Star hurler, was the thorn in the side of the All-Stars. He accounted for two of the Lone Star tallies with as many hits.

Immon, starting for the All-Stars in the box and at the bat, banged a single to begin the game. He scored and advanced to third on Armour's error, but died there with Archie on first, two men swinging out and a third popping to third. The next eight men up for the All-Stars were stricken at the home base.

Three runs for the Lone Star team came in the first. Cole was hit, King singled, and Dunson tripled, scoring Cole and King. Dunson scored on a wild pitch after Fletcher had walked. The next three were retired in order. Two more runs came in the second when Sue baffled the first baseman, stole second and scored on King's double. King scored as Cole went out trying to steal second. The other came in the fourth, when Sue singled, advanced on Howard's error, and scored on another Howard error. Dunson and Fletcher both scored on errors.

The All-Stars hit three times in the fifth for two runs. Jordan, Immon, and Thomas singled, Immon and Thomas scoring when Archie hit one to Fletcher who fumbled it.

Immon gave up the hurling position during the first inning, and was relieved by Archie, who allowed only two hits for the rest of the game.

The box score:

LONE STAR	AB	R	H	P	O	A	E
Cole, c.	4	1	0	12	0	0	0
King, p.	3	2	2	0	1	0	0
Dunson, 1b.	3	2	1	1	0	0	0
Fletcher, 2b.	2	1	0	0	1	0	0

Doss, cf.	2	0	0	0	0	0	0
Sue, rf.	2	1	0	0	0	0	0
Totals	20	8	4	15	2	3	0

Summary: Struck out—by King 12, by Archie 5. Losing pitcher, Archie. Bases on balls—off King 1, off Immon 1, off Archie, 3. 2-base hits—King, 3-base hits—Dunson. Earned runs—Lone Star 4, All-Stars 2. Passed balls—King 2. Double play—King to Cole. Left on bases—Lone Star 6, All-Stars 4. Stolen bases—Dunson, Fletcher, Armour 2, Doss, Bridges, Immon, Archie, Hall, and Shultz.

Panther \$25,000 Slush Fund Idle, But Offers Made

Fort Worth, June 19.—(AP)—Something new in Texas League circles is the \$25,000 "slush" fund installed by the new owners of the Fort Worth ball club. Immediately after purchasing the Cats, the new officials notified Manager Jakey Atz the money had been placed at his disposal to bargain for any players he thought would strengthen his lineup.

So far the fund has lain idle, but it is known fancy offers have been made for several players in the league. Atz is understood to be particularly anxious to obtain either Andy Messenger of the San Antonio Indians or Earl Caldwell of Waco. It is doubtful either slabster would be bartered at this time, however.

Douthit Is Starring Again For Fast Moving Cardinals

National League batters are finding it harder than ever this year to drive baseballs beyond the reach of Taylor Douthit. He led major league outfielders in chances accepted in 1928.

St. Louis, June 19.—(AP)—When Douthit goes after them he gets them. That's what they say in St. Louis about the Cardinals' great little centerfielder who is out ahead of most of the major league center gardeners again this year.

Douthit has been a central figure in the splendid defensive play of the Red Birds during their remarkable showing of the last four years.

The first big league player to make 100 hits in 1928, Douthit finished the season with more assists and putouts combined than any outfielder in either league. He is gathering them in just as regularly this year and again is helping those celebrated Cardinals make a close pennant race in the National League.

Last year Douthit, whose full name is Taylor Lee Douthit, accepted 557 chances. This was 121 more chances than was credited to Earl Combs, king of American league outfielders.

Taylor had 547 putouts and 10 assists. His closest competitor for defensive honors among National League

outfielders, was Lloyd Waner, Pittsburgh flash, who made good in 433 chances.

Douthit slumped badly in batting toward the close of 1928, but finished with an average of .295. His batting eye still was bad during the world's series, in which he hit only .091, but the fleet Arkansas lad wiped out memories of that poor showing with his 1929 comeback.

Near the mid-June mark he led the American league in runs scored with 51 to his credit and was hitting the ball at a .329 clip.

Reign Count to Run LAST RACE IN ENGLAND

Ascot, Eng., June 19.—(AP)—Mid royalty and pageantry America's Reign Count tomorrow seeks a fitting climax to a sensational racing career as he battles England's prides of the turf in the gold cup at Royal Ascot.

Win or lose, Mrs. John D. Hertz plans to return her great four-year-old colt to the United States for the completion of his racing career that reached its peak on the American continent with the winning of the 1928 three-year-old championship.

In striving to win the race for which he has been pointed since winning the Kentucky Derby last season, Reign Count endeavors to emulate the performance of James R. Keene's Foxhall, the only American horse that ever carried off the honors in the long history of the English turf fixture. Foxhall turned the trick in 1882.

RAY GRIMES OUTHITTING MAN TRADED FOR HIM

Waco, June 19.—(AP)—Ray Grimes, veteran Fort Worth infielder, appears to have settled the argument over who got the worst end of the celebrated deal that sent him to the Cats in exchange for San Antonio.

Since going to the Panthers, Grimes has clubbed at a .344 clip and is over the .30 mark for the season, while Riley is hitting only .262 for the tribe. Grimes had hit safely in nine straight games until Earl Caldwell blanked him in the second game of last Sunday's doubleheader here. His mark for the nine days was .571.

LEADERS WIN TUESDAY TILTS

SPODDERS GET AWAY WITH VICTORY OVER WACO TEAM, 8 TO 6

(By The Associated Press)

Inspired by noble pitching on the part of their ancient portside, Wilbur Cooper, the Shreveport Sports snapped out of their trance yesterday and got back into the merry chase for the Texas League flag. The 9 to 6 victory of Art Phelan's hopefuls over the wobbly Buffaloes in their series opener was opportune, coming as it did after six straight reverses, and prevented the Louisiana entry relinquishing third place to Pat Newman's scrapping Indians.

Each of the leaders, in fact, did an about face after having yielded to second division outfits on the previous day, and the battle for the one-two-three berths was a draw for the time being. The Steers, after submitting meekly to the lowly Buffs two straight afternoons, regained their batting eyes and banged out a 9 to 3 verdict over Beaumont in their opener. The Spuds regained their winning stride and chalked up their twelfth win in thirteen starts at the expense of Waco, 8 to 6.

Visible progress was made by the San Antonio Indians when they bumped three Fort Worth chummers for a 9 to 4 victory in the opening game of their last home stand this month. The slugging Tribesmen took undisputed possession of fourth place and again are making threatening gestures at the leaders. This type of gesture is not visible to the naked eye, but is a gesture, nevertheless.

Only two days remain of the northern club's invasion of the lower end of the state, and thinks like propitious for the members from the upper house. Unless Shreveport flops the next two days, three northern clubs are certain to return to their home lots leading the pack. The fourth northern entry, Fort Worth, could secure fourth place by licking the Indians today and tomorrow, thus making it unanimous. With the exception of San Antonio, the down states appear incapable of holding the pace.

Lindbergh Back at Work After Honeymoon Ends

New York, June 19.—(AP)—His honeymoon at an end, Colonel Charles A. Lindbergh was back at work today. His first professional engagement since his marriage to Anne Spencer Morrow May 27 was at Mitchell Field to observe the opening flight tests for the \$150,000 prizes offered for the safest aircraft by the Daniel Guggenheim fund for the promotion of aeronautics.

Colonel Lindbergh and his bride brought their honeymoon trip to a close yesterday when the famous flyer tied his motor cruiser, Moquette, to a dock at Sands Point, Long Island.

Colonel and Mrs. Lindbergh were guests yesterday on the Daniel Guggenheim estate and after luncheon left in a closed car in the direction of New York.

Colonel Lindbergh is expected soon to make a tour of the Trans-Continental Air Transport line which will take him to the Pacific Coast. He is technical advisor for the line.

California Bears Loom AS REGATTA FAVORITES

Poughkeepsie, N. Y., June 19.—(AP) Advance calculations on the intercollegiate Rowing Association regatta here next Monday have it that the winner of the four-mile grind will be the eight that beats California.

The Golden Bears, winners of the championship last season and Olympic titleholders as well, have impressed all observers during their workouts here. A fine time trial has led the experts to believe that Coach Ky Ebright has just as good a crew this year as he had last when the Californians broke the 27-year-old record for the Poughkeepsie course.

However, eastern fans are not yet ready to concede the championship to the West Coast again. They are banking on young rich Glendon's Columbia eight or Jim Wray's powerful Cornell boatload to uphold eastern prestige.

BACKUS AWARDED HONORS AT WASHINGTON AND LEE

Edward Nolan Backus, former Vernon High School athlete and a graduate of Washington and Lee University, has been awarded highest honors in the university for track work, according to a news dispatch from that university. Backus, who captained this year's track team, was awarded a gold miniature charm and a monogram blanket, in addition to the regular monogram sweater, last week at the commencement exercises.

He was one of the two seniors who received highest honors in track.

The rule of the Athletic Association has been revised, and now both a two- and three-year letter man is honored. In addition to a regular monogram sweater given to all men earning their insignia in any sport, a two-year man receives a handsome monogram blanket. A three-year man not only receives a blanket but gets his gold miniature charm emblematic of that sport. All men must be seniors before receiving these awards, according to the revised rules of the institution.

Nolan Backus is the son of Mr. and Mrs. G. W. Backus of this city.

Leaders and Occupants of Cellar Clash This Afternoon in Final Scheduled Game of City League

The league team standing:

Team—	P. W. L. Pct.
Baptist	4 4 0 1.000
Methodist	6 3 3 .500
Christian	5 2 3 .400
Presbyterian	5 1 4 .250

Concluding the list of scheduled games for the first half of the Vernon Sunday School baseball league season, the Baptists and Presbyterians, leaders and cellar holders in the league race, will meet this afternoon at 6:15 on the City Park field.

First place for the first half of the season was assured the Baptists Monday when the Methodists measured the Christians in the last game for the former before the second half starts. The game left the Methodists holder of second place with prospects of remaining in that position.

Should the Christians defeat the Baptists Friday in the play-off of the tie game of last week, the Methodists and Christians will be tied for second honors, leaving the Baptists high and dry, however, for the leading position, even should they be defeated by the Presbyterians this afternoon.

Buzbee may open the hurling duties this afternoon for the Baptists, and will be relieved by Carl Simmons if a change is necessary. Carl Simmons is the mainstay of the Baptist catching staff, and will more than likely be called upon for the service today.

Chaffin, first base; Steve Dobbs, second base; Norman, third base; Carl Simmons, left field; Foster, short stop; Hardison, right field; and Teel, center field, may compose the rest of the beginning lineup for the league leaders.

For the Presbyterians, Hugh Bourland will probably draw the pitching assignment, backed up by Wheeler behind the plate. Bourland has been doing some consistent flogging, and had he been supported in the field, there would have been a more interesting race, so far as the cellar position club is concerned. The rest of the line-up will probably consist of the following: Gelhausen, first base; Weir, second base; Williams, third base; Christian, shortstop; Baird, left field; Campbell, center field; and Gault, right field.

For the Presbyterians, Hugh Bourland will probably draw the pitching assignment, backed up by Wheeler behind the plate. ENGLAND EXPECTS MEETING ON DISARMAMENT AFTER HEARING M'DONALD AND DAWES SPEAK

London, June 19.—(P)—Great Britain today expectantly awaited the next move toward closer rapprochement with the United States, after simultaneous speeches last night by Ambassador Dawes and Prime Minister Ramsay MacDonald, stressing friendship of the two nations and paving the way for naval reductions. The speeches of Ambassador Dawes before the Pilgrims' Society and of

the Prime Minister before the town council of his native village of Liosse-mouth, Scotland, were clothed in generalities and presumably were purposely vague. But few doubted more concrete proposals, probably for a meeting on naval disarmament, would be forthcoming soon.

The Premier and Ambassador themselves, in their announcement of the speeches Sunday at Forres, Scotland, said the simultaneous addresses might be considered as the beginning of the negotiations on disarmament.

The British Premier at Liosse-mouth spoke only briefly on the Anglo-American situation, finally declaring that no negotiations would be entered into without possible participation of every country concerned.

Ambassador Dawes, after declaring an agreement on naval reduction was the next logical follow to the Kellogg anti-war treaty, set forth a highly reasoned argument for a conference of statesmen to reach such an agreement, rather than of naval experts, who, he said, were more interested in naval maintenance than naval reduction.

The experts' task in the next negotiations, General Dawes said, would be to fix upon a "naval yardstick" or standard of equivalent naval values, reconciling such divergent factors as age, displacement, gun elevation, etc. With such a "yardstick," he said, the statesmen could work.

The Ambassador mentioned the huge financial burden carrying out present naval building programs would inflict upon nations, saying the authorized contemplated naval program of the United States alone amounts to \$1,170,800,000.

He then went into the roles played by financial experts in the reparations and similar conferences, and developed the proposition that where as they were necessary to the success of those conferences they would impair rather than abet progress if they played similar parts in a naval conference.

"I had nervous, sick headaches most all the time, and was so restless at night, could not sleep, but would roll and toss all night and when morning came actually felt worse than when I went to bed. I had a bad case of constipation, and was losing confidence in myself, I felt so bad."

"Orgatone had helped so many people here in Wichita Falls, I decided to try it, and it has certainly been a fine thing in my case. I have not only gained eight pounds in weight but feel better than in years."

"I eat anything I want now, and it doesn't bother me in the least, and my food agrees with me and gives me nourishment. I'm not nervous as I was, and sleep like a baby at night, and am entirely relieved of all constipation. Orgatone has been a wonderful medicine in my case and I am glad to recommend it."

Genuine Orgatone may be obtained in Vernon at The Vernon Drug Store.

Two Champions of Grape Juice

These two men have done grape-juice a lot of good—the man on the left by putting it on U. S. battleships, the other by putting it (or its equivalent) in the British embassy. At the left is Josephus Daniels, who dined at the U. S. navy when he became its secretary during Wilson's first term; at the right is Sir Esme Howard, British ambassador, who has just done a similar thing for the embassy. They were snapped together at the University of North Carolina commencement at Charlotte.

CONGRESS WILL START SUMMER REST TONIGHT

Senate Will Return to Capital and Business August 19 With Expectation of Finding Tariff Revision Finance Matters All Outlined.

Washington, June 19.—(P)—Congress will start a summer recess tonight preparatory to finishing up the last and perhaps the most controversial of the recommendations placed before it by President Hoover—tariff revision.

The Senate will return August 19 by which time the Finance Committee promises to have completed its revision of the House tariff bill. The House, with its work all over except the negotiations of an adjustment with the Senate on the tariff, will remain in recess until September 23.

when it hopes the Senate will go through with the bill.

The extra session convened two months ago by Mr. Hoover to redeem the Republican campaign pledge of farm relief will take its breathing spell with three of the other four proposals recommended by him enacted into law—a farm relief measure and the combined census and re-enumeration legislation. The other presidential proposition—suspension of the national origins immigration quota basis—was turned down by the Senate.

The Senate also gave the administration considerable worry in the farm relief contest twice insisting on the export debenture plan as a part of that legislation. Similar and more extensive disagreements are expected by many to develop during the tariff discussion.

The break between the President and two of his outstanding pre-election campaigners—Senators Borah of Idaho, and Brookhart of Iowa—on the debenture issue has emphasized the division within the Republican majority in the Senate. They and all other Republicans from the northwest agricultural states vehemently opposed the President's views on debentures and by lining up with an almost united Democratic minority were able to win control so far as the Senate was concerned.

Thaw Attends Mother's Funeral

Harry K. Thaw, for whom his aged mother, Mrs. Mary Copley Thaw, spent a fortune in defending him in his murder trial for killing Stanford White in 1916, is shown here with his sister, Countess de Perigny of Paris, in deep mourning as they attended the funeral of their mother at Pittsburgh. Mrs. Thaw was a victim of pneumonia.

again when Senator Borah proposed to restrict tariff revision in the Senate to agricultural and related products instead of permitting the general revision of schedules voted by the House. That proposal was defeated by a single vote, and the ballot was taken to presage another close contest after the tariff measure reaches the Senate.

Exports will be concentrated when the Senate reassembles on passage of the tariff bill before the regular session opens in December, but, among many other obstacles the debenture dispute will have to be settled again. The plan already has been placed before the Senate as an amendment to the tariff bill by Senator Norris, Republican, Nebraska, and other members are planning similar proposals designed to reduce the opposition of the House.

Commissioners to Receive Bids for School Equipment

Bids will be received by the City Commissioners on Thursday and Friday of this week for equipment of the new High School. Thursday bids on desks, teachers desks, and table-arm chairs will be received. Friday bids on the equipment for the cafeteria, laboratories, manual training equipment, and other furnishings, will be taken.

About six companies are expected to offer bids on each item of equipment. Superintendent W. T. Lofland said today. Outlines of the requirements for the new equipment have been in the hands of bidders for several days.

Future Edison?

Sixteen-year-old Burton Power, above, is Kansas' choice for Thomas A. Edison's successor, he having been chosen as that state's official entry in the Edison contest at the University of Kansas. Power will go to the Edison laboratories to stand final examinations with boys representing other states. Friends of the youth insist that he bears a strong facial resemblance to the inventor.

HUGE LIQUOR RING REVEALED

ONE HUNDRED AND FORTY PERSONS AND FIRMS ARE INDICTED

New York, June 19.—(P)—One hundred and forty individuals and firms were under Federal indictment today accused of participating in a nationwide organization for the distribution of bogus whiskey equipment.

Special Treasury agents said the conspiracy was the largest that has been uncovered with ramifications into a score of cities.

The defendants are charged with conspiracy to violate the prohibition act and with violation of a Federal law forbidding the attachment of spurious revenue stamps to containers of spirituous liquors.

This stock included shaving from the inside of whiskey barrels, used to flavor synthetic liquor, bottles blown in imitation of the containers of widely-known distilleries, labels, wrappers, corks, cases and bogus internal revenue stamps.

The firm of Glickstein and Terner in Brooklyn, one of those indicted was said by Federal agents to have been the headquarters of the ring.

Other cities where the organization operated included Boston, Baltimore, Philadelphia, Cleveland, St. Louis, Pittsburgh, Cleveland, Atlantic City, Miami, Albany, and Syracuse, N. Y., Providence and Woonsocket, R. I., Hartford, New Haven, Conn., and Los Angeles.

Juneteenth Being Observed Today by Negro Race

Dallas, June 19.—(P)—The calendar shows today as June 19, but to the negroes the day is "Juneteenth."

In the Dallas street department, the day meant no work for the negroes, and watermelon parties, hot times and general celebrating ruled. The holiday was declared for the negro employees of the city department yesterday by Commissioner Gus Wylie.

"If they show up for work, tell them to go home and come back tomorrow," he said.

Juneteenth is the day of days in dark towns, and is their day for celebrating their freedom through the emancipation proclamation.

SEVENTH DAY OF HEAT GRIPS EAST AGAIN TODAY

New York, June 19.—(P)—Eastern states today experienced their seventh day of stifling heat.

A dozen deaths from heat were reported yesterday. Some others died of drowning while seeking relief at bathing beaches. Prostrations were numerous. At some points it was the hottest June 19 ever recorded.

In New York City the temperature reached 93 degrees.
